The Role of the Higher Education in the European Community Enhancing Knowledge and Skills across different Stages of the Life Course

Tuesday, 31st May 2022 | 9.45 a.m.-1.00 p.m.

Education, Languages, Intercultures, Literatures and Psychology Department
University of Florence | Aula Altana, IV Floor, Via Laura, 48

Purpose

What is the role of Studies in Higher Education for strategic developments at EU and national levels? In what ways might enhancing knowledge and skills across different stages of the life course be important for the future development of the population?

A conversation with Prof. Paolo Federighi and the Visiting Professor from Dublin City University, Prof. Maria Slowey.
